

**CURRICULUM VITAE**  
**Kean J. Hsu, Ph.D.**

September 2019

Institute for Mental Health Research  
University of Texas at Austin  
305 E. 23<sup>rd</sup> St., RLP 4.606  
Austin, TX 78712

Email: keanjhsu@utexas.edu  
Office Phone: (512) 471 - 4825  
Mobile Phone: (203) 435 - 0870  
Academic Website: keanjhsu.com

**EDUCATION AND EMPLOYMENT**

- 2019 -                      Research Assistant Professor, Mood Disorders Laboratory, Institute for Mental Health Research and Department of Psychology  
University of Texas at Austin, Austin, TX
- 2017-2019                Postdoctoral Research Fellow, Mood Disorders Laboratory, Institute for Mental Health Research and Department of Psychology  
University of Texas at Austin, Austin, TX
- 2015-2017                Postdoctoral Researcher/Assistant Project Scientist, Anxiety and Depression Research Center, Department of Psychology // Depression Grand Challenge, Department of Psychiatry and Biobehavioral Sciences  
University of California, Los Angeles, Los Angeles, CA
- 2014-2015                Postdoctoral Research Fellow, Behavioral Health Partial Hospitalization Program McLean Hospital, Belmont, MA  
Clinical Fellow in Psychology, Department of Psychiatry  
Harvard Medical School, Cambridge, MA
- 2013-2014                Predoctoral Clinical Psychology Intern, Adult Emphasis  
Pacific Clinics, Santa Fe Springs/Irwindale, CA
- 2014                        Ph.D., Clinical Science, Department of Psychology  
University of Southern California, Los Angeles, CA  
Dissertation: Deficits in Selective Attention and Biases in Valenced Information Processing in Depression
- 2009                        M.A., Psychology, Department of Psychology  
University of Southern California, Los Angeles, CA
- 2006                        B.A., Psychology, Behavioral Neuroscience Specialization  
Yale University

**PROFESSIONAL LICENSURE**

- 2018 -                      Licensed Psychologist, State of Iowa (#091758)  
2019 -                      Licensed Psychologist, State of Texas (#38037)

**HONORS AND AWARDS**

- 2017                        **Beck Institute Scholarship Competition Winner**

2016	<b>Advanced MRI Summer Program Fellowship</b> , UCLA Semel Neuroimaging Training Program (NITP)
2016	<b>Alies Muskin Career Development Leadership Program – Clinical Research Track</b> , Anxiety and Depression Association of America
2015	<b>1<sup>st</sup> Place Poster</b> , Neurocognitive Therapies/Translational Research Special Interest Group Poster Competition, Association for Behavioral and Cognitive Therapies
2014	<b>Division on Students Leadership Award</b> , Asian American Psychological Association
2013	<b>National Psychologist Trainee Register Credentialing Scholarship</b> , National Register of Health Service Psychologists
2013	<b>Psychology Department Summer Research Fellowship</b> , USC Dornsife College of Letters, Arts, & Sciences
2013	<b>Graduate School Travel Award</b> , USC Dornsife College of Letters, Arts, & Sciences
2012, 2013	<b>Psychology Department Travel Award</b> , USC Dornsife College of Letters, Arts, & Sciences
2012-2013	<b>Dissertation Completion Fellowship</b> , USC Dornsife College of Letters, Arts, & Sciences
2006, 2009	<b>Valentine Fellowship College Graduate Merit Award</b> , USC Dornsife College of Letters, Arts, & Sciences
2006	<b>Graduated with Distinction in Psychology</b> , Yale University
2005	<b>Asian American Leadership Award</b> , Yale University
2005	<b>Institute for Recruitment of Teachers (IRT) Associate</b> , Institute for Recruitment of Teachers, Phillips Andover Academy
2004-2006	<b>Edward A. Bouchet Research Fellowship</b> , Mellon Mays/Edward A. Bouchet Undergraduate Fellowship, Yale University

## PEER-REVIEWED PUBLICATIONS

1. **Hsu, K.J.**, Forgeard, M.J.C., Stein, A., Beard, C., & Björgvinsson, T. (2019). Examining differential relationships among self-reported attentional control, depression, and anxiety in a transdiagnostic clinical sample. *Journal of Affective Disorders*, 248, 29-33. Preprint Doi: [10.17605/osf.io/u6g3k](https://doi.org/10.17605/osf.io/u6g3k)
2. Peckham, A.D., Forgeard, M.J.C., **Hsu, K.J.**, Beard, C., & Björgvinsson, T. (2019). Turning the UPPS down: Impulsivity and treatment outcome in a partial hospitalization program. *Comprehensive Psychiatry*, 88, 70-76.
3. Young, K.S., LeBeau, R.T., Niles, A.N., **Hsu, K.J.**, Burklund, L.J., Mesri, B., Saxbe, D., Lieberman, M.D., & Craske, M.G. (2019). Neural connectivity during affect labeling predicts treatment response to psychological therapies for social anxiety disorder. *Journal of Affective Disorders*, 242, 105-110.
4. Shin, M., Wong, Y.J., Yancura, L., & **Hsu, K.J.** (2018). Thanks, Mom! Gratitude letter writing for Asian and White American emerging adults. *Counseling Psychology Quarterly*. Doi: 10.1080/09515070.2018.1542519

5. **Hsu, K.J.**, Caffey, K., Pisner, D., Shumake, J., Risom, S., Ray, K.L., Smits, J.A.J., Schnyer, D.M., & Beevers, C.G. (2018). Attentional bias modification treatment for depression: study protocol for a randomized controlled trial. *Contemporary Clinical Trials*, 75, 59-66. Doi: [10.1016/j.cct.2018.10.014](https://doi.org/10.1016/j.cct.2018.10.014)
6. Wadsworth, L.P., Forgeard, M., **Hsu, K.J.**, Treadway, M., Kertz, S., & Björgvinsson, T. (2018). Examining the role of repetitive negative thinking in relations between positive and negative aspects of self-compassion and symptom improvement during intensive treatment. *Cognitive Therapy and Research*, 42 (3), 236-249.
7. **Hsu, K.J.**, & Davison, G.C. (2017). Compounded deficits: the association between neuropsychological impairment and attention biases in currently depressed, formerly depressed, and never depressed individuals. *Clinical Psychological Science*, 5 (2), 286-298.
8. Beard, C., Milner, A., Forgeard, M., Fried, E.I., **Hsu, K.J.**, Treadway, M., Leonard, C.V., Kertz, S., & Björgvinsson, T. (2016). Network analysis of depression and anxiety symptom relationships in a psychiatric sample. *Psychological Medicine*, 46 (16), 3359-3369.
9. Webb, C.A., Beard, C., Kertz, S.J., **Hsu, K.J.**, & Björgvinsson, T. (2016). Differential role of CBT, DBT, and psychological flexibility in predicting depressive versus anxiety symptom improvement. *Behaviour Research and Therapy*, 81, 12-20.
10. Beard, C., Stein, A., Hearon, B., Lee, J., **Hsu, K.J.**, & Björgvinsson, T. (2016). Predictors of depression treatment response in an intensive CBT partial hospital. *Journal of Clinical Psychology*, 72 (4), 297-310.
11. Beard, C., **Hsu, K. J.**, Rifkin, L. S., Busch, A., & Björgvinsson, T. (2016). Validation of the PHQ-9 in a psychiatric sample. *Journal of Affective Disorders*, 193, 267-273. Doi: 10.1016/j.jad.2015.12.075
12. Rifkin, L., Beard, C., **Hsu, K.J.**, Garner, L., & Björgvinsson, T. (2016). Psychometric properties of the Anxiety Sensitivity Index-3 in an acute and heterogeneous treatment sample. *Journal of Anxiety Disorders*, 36: 99-102. Doi: 10.1016/j.janxdis.2015.09.010
13. Stein, A.T., Hearon, B., Beard, C., **Hsu, K.J.**, & Björgvinsson, T. (2016). Properties of the Dialectical Behavior Therapy Ways of Coping Checklist in a Diagnostically Diverse Partial Hospital Sample. *Journal of Clinical Psychology*, 72(1), 49-57.
14. **Hsu, K.J.**, Beard, C., Rifkin, L., Dillon, D.G., Pizzagalli, D.A., & Björgvinsson, T. (2015). Transdiagnostic mechanisms: the association between attentional control, rumination, and clinical symptomatology. *Journal of Affective Disorders*, 188, 22-27. Doi: 10.1016/j.jad.2015.08.008

15. Beard, C., Donahue, R.D., Dillon, D.G., Van't Veer, A., Webber, C., Björgvinsson, T., Lee, J., Barrick, E., **Hsu, K.J.**, Foti, D., Carroll, F.I., Carlezon Jr., W.A., & Pizzagalli, D.A. (2015). Abnormal error processing in depressive states: a translational examination in humans and rats. *Translational Psychiatry*, 5(5), e564. doi:10.1038/tp.2015.54
16. **Hsu, K.J.**, Young-Wolff, K.C., Kendler, K.S., Halberstadt, L.J., & Prescott, C.A. (2014). Neuropsychological deficits in major depression reflect familial risk more than clinical history: a monozygotic discordant twin-pair study. *Psychiatry Research*, 215(1), 87-94. Doi: 10.1016/j.psychres.2013.10.037
17. **Hsu, K.J.**, Babeva, K.N., Feng, M.C., Hummer, J.F., & Davison, G.C. (2014). Experimentally induced distraction impacts cognitive but not emotional processes in cognitive think-aloud assessment. *Frontiers in Psychology*, 5(474). Doi: 10.3389/fpsyg.2014.00474
18. Malandrakis, N., Potamianos, A., **Hsu, K. J.**, Babeva, K. N., Feng, M. C., Davison, G. C., & Narayanan, S. (2014, May). Affective language model adaptation via corpus selection. In *Acoustics, Speech and Signal Processing (ICASSP), 2014 IEEE International Conference on* (pp. 4838-4842). IEEE.
19. **Hsu, K.**, Iwamoto, D.K. (2014). Testing for measurement invariance in the Conformity to Masculine Norms-46 across Whites and Asian American college men: development and validity of the CMNI-29. *Psychology of Men & Masculinity*, 15 (4), 397-406. Doi: 10.1037/a0034548

## NON PEER-REVIEWED PUBLICATIONS

1. **Hsu, K.J.** (2017). The role of neuroscience in psychological interventions: Takeaways from the 50<sup>th</sup> Annual Convention of ABCT. *The Behavior Therapist*, 40 (1), 26-28.
2. **Hsu, K.J.**, & Davison, G.C. (2015). American Psychological Association (APA). In Cautin, R., & Lilienfeld, S. (Eds.), *The Encyclopedia of Clinical Psychology*. Hoboken, NJ: Wiley-Blackwell. Doi: 10.1002/9781118625392.wbecp359

## MANUSCRIPTS IN PROGRESS

**Hsu, K.J.\***, Mullarkey, M.\*, Dobias, M., Beevers, C.G., & Björgvinsson, T. (2019). *Symptom-level network analysis distinguishes the unique associations of repetitive negative thinking and experiential avoidance on depression and anxiety in a transdiagnostic clinical sample*. Manuscript in submission. Preprint Doi: 10.31234/osf.io/z7fps

**Hsu, K.J.**, Kertz, S., Stevens, K., Petersen, D., Sigurjonsdottir, O., Beard, C., & Björgvinsson, T. (2019). *Reflection reconsidered: A psychometric study of the Ruminative Responses Scale in a transdiagnostic psychiatric population and an unselected student population*. Manuscript in submission.

**Hsu, K.J.**, McNamara, M., Shumake, J., Alario, A., Gonzalez, L., Schnyer, D., Lebrada, J., Stewart, R., & Beevers, C.G. (2019). *Neurocognitive predictors of self-reported reward responsivity and approach motivation in depression: a machine learning approach*. Manuscript in preparation.

**Hsu, K.J.**, McNamara, M., Shumake, J., Risom, S., Stewart, R., Lebrada, J., & Beevers, C.G. (2019). *In the eye of the beholder: relations between depression, gaze patterns, and pupil dilation in complex emotional stimuli*. Manuscript in preparation.

Young, K.S.\*, **Hsu, K.J.\***, Burkland, L.J., Sun, M., Torre, J., Saxbe, D., Lieberman, M.D., & Craske, M.G. (2019). *Common and distinct neural mediators underlying response to Cognitive Behavioral Therapy and Acceptance and Commitment Therapy for Social Anxiety Disorder*. Manuscript in preparation.

\*Indicates the authors contributed equally.

## AD HOC REVIEWING

Anxiety, Stress, & Coping, Behaviour Research and Therapy, Behavior Therapy, Clinical Psychological Science, Cognitive Therapy and Research, Comprehensive Psychiatry, Emotion, European Journal of Psychological Assessment, Journal of Behavior Therapy and Experimental Psychiatry, Journal of Consulting and Clinical Psychology, Journal of Nervous and Mental Disease, Journal of Psychiatric Research, PLOS ONE, Psychiatry Research, Psychological Medicine

## AD HOC CO-REVIEWING

Biological Psychology, Journal of Anxiety Disorders, Perspectives on Psychological Science, Psychological Bulletin

## RESEARCH GRANT REVIEW

Research Grants Council (RGC) of Hong Kong, Outside Reviewer (2014-current)  
Research Foundation – Flanders (2018)

## COLLOQUIA AND INVITED TALKS

**Hsu, K.J.** (2019). The role of basic cognitive processes in emotional disorders: potential risk factors and maintenance processes. Department of Psychiatry, Georgetown University Medical Center.

**Hsu, K.J.** (2017). Teasing apart the impact of attention and executive functioning on emotional disorders: risk factors and treatment mechanisms. Mellon Mays/Edward A. Bouchet Fellowship Alumni Speaker Series, Yale University.

**Hsu, K.J.** (2015). The role of attentional processes in Major Depression. Summer Student Seminar Lecture Series, McLean Hospital.

## CONFERENCE SYMPOSIA AND PANELS

1. **Hsu, K.J.**, McNamara, M., Shumake, J., Stewart, R., Lebrada, J., & Beevers, C.G. (2019, November). In the eye of the beholder: relations between depression, gaze patterns, and pupil dilation in complex emotional stimuli. In Quigley, L. (Chair), *Understanding and modifying cognitive control and processing biases in depression (accepted)*. Symposium conducted at the Annual meeting of the Association for Behavioral and Cognitive Therapies, Atlanta, GA.
2. **Hsu, K.J.** (2019, October). *Beyond the Ivory Tower: approaches to strengthening and advocating for Asian/Asian American communities (accepted)*. Panel Discussion, Asian American Psychological Association, San Diego, CA.
3. **Hsu, K.J.**, & Davison, G.C. (2019, April). Some like it hot: examining the association between depression severity and “cold” and “hot” cognitive processes. In Zainal, H. (Chair), *The role of executive functioning and other ‘cold’ cognitive domains in anxiety and depressive disorders*. Symposium conducted at the annual meeting of the Anxiety and Depression Association of America, Chicago, IL.
4. **Hsu, K.J.**, Stewart, R., Lebrada, J., Foulser, A., Shumake, J., & Beevers, C.G. (2018, November). The “eyes” have it: comparing pupillary responses to complex emotional stimuli in depressed and non-depressed individuals. In **K.Hsu** (Chair), *In the eye of the beholder: novel approaches to studying mood disorders through the use of eyetracking and pupillometry*. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Washington, DC.
5. **Hsu, K.J.** (2017, November). *Moving beyond silos: translational collaborations to further integration and exploration of neural mechanisms across diverse treatment contexts*. Panel Discussion, Association for Behavioral and Cognitive Therapies, San Diego, CA.
6. **Hsu, K.J.**, Hasratian, A., Byeon, V., Mineka, S., Zinbarg, R., & Craske, M.G. (2017, April). Concurrent and prospective associations of cognitive vulnerabilities with symptom dimensions of anxiety and depression. In **K. Hsu** (Chair), *Cognitive vulnerability in anxiety and depression: examining the relative contributions of cognitive dysfunction to prospective symptomatology across different populations*. Symposium conducted at the annual meeting of the Anxiety and Depression Association of America, San Francisco, CA.
7. **Hsu, K.J.**, Forgeard, M.J.C., Rifkin, L.S., Beard, C., & Bjorgvinsson, T. (2016, October). Examining the relationship between reductions in dysfunctional thinking on depression and anxiety symptom reduction in an intensive CBT setting: the role of rumination. In S. Kertz (Chair), *Examining the mediating role of repetitive negative thinking across psychological outcomes*. Symposium conducted at the 50<sup>th</sup> annual meeting of the Association of Behavioral and Cognitive Therapy, New York, NY.
8. Shin, M., Zounlome, N., **Hsu, K.J.**, Yancura, L., & Wong, J. (2016, August). Thanks, Mom: gratitude letter writing for Asian and White Americans. In J. Wong (Chair), *Thanks! Advances in the psychology of gratitude*. Symposium conducted at the annual meeting of the American Psychological Association.

9. **Hsu, K.J.** (2016, May). *Adaptation and dissemination of evidence-based psychotherapies for use in acute psychiatric care*. Panel Discussion, American Psychiatric Association, Atlanta, GA.
10. **Hsu, K.J.**, & Davison, G.C. (2016, April). Compounded deficits: the association between neuropsychological impairment and attention biases in currently depressed, formerly depressed, and never depressed individuals. In **K. Hsu** (Chair), *Dissecting the impact of cognitive control and cognitive biases on affective disorders*. Symposium conducted at the annual meeting of the Anxiety and Depression Association of America, Philadelphia, PA.
11. **Hsu, K.J.**, Beard, C., Rifkin, L., Dillon, D.G., Pizzagalli, D.A., & Björgvinsson, T. (2015, November). Transdiagnostic mechanisms: the association between attentional control, rumination, and clinical symptomatology. In S. Kertz (Chair), *Repetitive negative thinking: examining cognitive correlates and transdiagnostic associations with treatment outcome*. Symposium conducted at the 49<sup>th</sup> annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
12. Björgvinsson, T., **Hsu, K.J.**, Rifkin, L., Forgeard, M., & Beard, C. (2015, November). Integration of clinical care and clinical research in a partial hospital setting. In L. Berghorst (Chair), *Strengthening the reciprocal relationship between practice and research: logistics, challenges, and benefits from treatment effectiveness and dissemination studies*. Symposium conducted at the 49<sup>th</sup> annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
13. Forgeard, M., Beard, C., Millner, A., **Hsu, K.**, Treadway, M., Leonard, C. V., Kertz, S., & Björgvinsson, T. (2015, November). Network Analysis Approach to Psychopathology and Comorbidity. In C. Beard (Chair), *Network Analysis: A Non-Technical Introduction*. Symposium conducted at the 49<sup>th</sup> annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
14. Beard, C., Millner, A., **Hsu, K.**, Forgeard, M., Treadway, M., Leonard, C. V., Kertz, S., & Björgvinsson, T. (2015, November). A Network Analysis Approach to Depression and Anxiety Comorbidity in Adults with Severe Mental Illness. In C. Beard (Chair), *Network Analysis: A Non-Technical Introduction*. Symposium conducted at the 49<sup>th</sup> annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
15. Millner, A., Beard, C., **Hsu, K.**, Forgeard, M., Treadway, M., Leonard, C. V., Kertz, S., & Björgvinsson, T. (2015, November). Reliability of Between-Subject Network Analysis. In C. Beard (Chair), *Network Analysis: A Non-Technical Introduction*. Symposium conducted at the 49<sup>th</sup> annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.

## CONFERENCE POSTERS

1. Caffey, K.D., **Hsu, K.J.**, Foulser, A.A., Dainer-Best, J., Shumake, J., & Beevers, C.G., (2018, May). *Parsing apart the residual impact of childhood trauma: relations between childhood trauma type and attentional biases to negative stimuli in depressed adults*. Poster session presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.

2. Stewart, R., **Hsu, K.J.**, Labrada, J., Foulser, A.A., Shumake, J., & Beevers, C.G. (2018, April). *The “eyes” have it: comparing pupillary responses to complex emotional stimuli in depressed and non-depressed individuals*. Poster session presented at the annual meeting of the Anxiety and Depression Association of America, Washington, DC.
3. Labrada, J., **Hsu, K.J.**, Stewart, R., Foulser, A.A., Shumake, J., & Beevers, C.G. (2018, April). *Power in numbers: the association of attentional bias and symptom severity in two large online samples*. Poster session presented at the annual meeting of the Anxiety and Depression Association of America, Washington, DC.
4. Peckham, A.D., **Hsu, K.J.**, Beard, C., Forgeard, M.J.C., & Björgvinsson, T. (2017, May). *Urgency and treatment outcome: the role of cognitive control*. Poster session presented at the annual meeting of the Association for Psychological Science, Boston, MA.
5. Peckham, A.D., **Hsu, K.J.**, Beard, C., Forgeard, M.J.C., & Björgvinsson, T. (2017, April). *Impulsive responses to emotion decrease during treatment in a partial hospital program*. Poster session presented at the annual meeting of the Society for Affective Science, Boston, MA.
6. **Hsu, K.J.\***, Young, K.S.\*, Burklind, L.J., Sun, M., Torre, J., Saxbe, D., Lieberman, M.D., & Craske, M.G. (2017, April). *Common and distinct neural mediators underlying response to Cognitive Behavioral Therapy and Acceptance and Commitment Therapy for Social Anxiety Disorder*. Poster session presented at the annual meeting of the Anxiety and Depression Association of America, San Francisco, CA.
7. Chang, F., Forgeard, M. J. C., **Hsu, K.**, Beard, C., & Björgvinsson, T. (2016, October). *Cognitive flexibility in a transdiagnostic psychiatric sample: Relationships with predictors (age, gender, ethnicity, and education level) and clinical outcomes*. Poster presented at the 50<sup>th</sup> Annual Convention of the Association of Behavioral and Cognitive Therapies, New York, NY.
8. **Hsu, K.J.**, Hasratian, A., Byeon, V., Mineka, S., Zinbarg, R., & Craske, M.G. (2016, April). *Concurrent and prospective associations of cognitive vulnerabilities with symptom dimensions of anxiety and depression*. Poster session presented at the annual meeting of the Anxiety and Depression Association of America, Philadelphia, PA.
9. J. Buchholz, **Hsu, K.J.**, Forgeard, M., Beard, C., Rifkin, L.S., & Bjorgvinsson, T. (2016, April). *Cognitive reappraisal predicts anxiety symptom reduction in an acute psychiatric sample*. Poster session presented at the annual meeting of the Anxiety and Depression Association of America, Philadelphia, PA.
10. Lenton-Brym, A. P., **Hsu, K.**, Forgeard, M. J. C., Joyce, C. M., Udupa, N., Chung, J., & Björgvinsson, T. (2015, November). *Mind over mood: Using mindfulness to diminish perseverative negative thinking in depression and anxiety*. Poster presented at the 49th Annual Convention of the Association of Behavioral and Cognitive Therapies, Chicago, IL.

11. Joyce, C., Forgeard, M., **Hsu, K.J.**, Beard, C., Lenton-Brym, A., Udupa, N., Cheung, J., & Björgvinsson, T. (2015, November). *Predicting non-suicidal self-injury: the role of cognitive flexibility and impulsivity*. Poster session presented at the 49<sup>th</sup> annual meeting of the Association of Behavioral and Cognitive Therapy.
12. **Hsu, K.J.**, & Davison, G.C. (2015, November). *Compounded deficits: the association between neuropsychological impairment and attention biases in currently depressed, formerly depressed, and never depressed individuals*. Poster session presented at the 49<sup>th</sup> annual meeting of the Association of Behavioral and Cognitive Therapy.
13. **Hsu, K.J.**, Beard, C., Rifkin, L., & Björgvinsson, T. (2015, April). *Transdiagnostic mediation: the association between attentional control, rumination, and clinical symptomatology*. Poster session presented at the annual convention for the Anxiety and Depression Association of America, Miami, FL.
14. Wadsworth, L.P., **Hsu, K.J.**, & Björgvinsson, T. (2015, April). *Self-compassion as a moderator of worry and repetitive negative thinking in a severe clinical population*. Poster session presented at the annual convention for the Anxiety and Depression Association of America, Miami, FL.
15. Chang, W., **Hsu, K.J.**, Borkum, D., Rifkin, L., & Björgvinsson, T. (2015, April). *Experiential avoidance and emotion regulation as mediating factors in the relationship between alexithymia and severity of depressive and anxious symptomatology*. Poster session presented at the annual convention for the Anxiety and Depression Association of America, Miami, FL.
16. Borkum, D., **Hsu, K.J.**, Rifkin, L., Chang, W., & Björgvinsson, T. (2015, April). *Clinical utility of DBT for anxiety disorders: the role of skill acquisition in treatment response*. Poster session presented at the annual convention for the Anxiety and Depression Association of America, Miami, FL.
17. Rifkin, L., **Hsu, K.J.**, Chang, W., Borkum, D., & Björgvinsson, T. (2015, April). *Psychometric properties of the ASI-3 in a complex, heterogeneous treatment sample*, poster session (accepted). Poster session presented at the annual convention for the Anxiety and Depression Association of America, Miami, FL.
18. **Hsu, K.J.**, Henry, J., Atencio-MacLean, G., & Stevens, K.I. (2014, November). *Religion/spirituality moderates the impact of a positive psychotherapy intervention on caregivers of children with SMI*. Poster session presented at the annual convention for Association of Behavioral and Cognitive Therapy, Philadelphia, PA.
19. Atencio-MacLean, G., **Hsu, K.J.**, & Stevens, K.I., & Henry, J., (2014, August). *The impact of gratitude on positive psychotherapy interventions in caregivers of children with SMI*. Poster session presented at the 122<sup>nd</sup> annual convention for American Psychological Association, Washington, DC.
20. **Hsu, K.J.**, Feng, M.C., Babeva, K.N., Hummer, J.F., & Davison, G.C. (2013, May). *Impact of anxiety, rumination, and mood on Articulated Thoughts in Simulated Situations (ATSS)*. Poster session presented at the 25<sup>th</sup> annual convention for Association for Psychological Science, Chicago, IL.

21. **Hsu, K.J.**, Young-Wolff, K.C., Halberstadt, L.J., Kendler, K.S., & Prescott, C.A. (2012, June). Familial Risk and Cognitive Impairment in Major Depression: A Monozygotic Twin-Pair Study. *Behavior Genetics*, 42, 940.
22. **Hsu, K.J.**, Feng, M.C., Babeva, K.N., & Davison, G.C. (2012, May). *Distraction in think-aloud cognitive assessment*. Poster session presented at the 24<sup>th</sup> annual convention for Association for Psychological Science, Chicago, IL.
23. Feng, M.C., **Hsu, K.J.**, & Davison, G.C. (2012, May). *Depression and its effect on feelings of personal responsibility*. Poster session presented at the 24<sup>th</sup> annual convention for Association for Psychological Science, Chicago, IL.
24. Babeva, K.N., **Hsu, K.**, Feng, M. & Davison, G.C. (2011, May). *The wandering mind in think-aloud assessment*. Poster session presented at the 23<sup>rd</sup> annual convention for Association for Psychological Science, Washington, D.C.
25. **Hsu, K.J.**, Young-Wolff, K.C., Halberstadt, L.J., Kendler, K.S., & Prescott, C.A. (2010, April). Testing the relationship of cognitive impairments and major depression: A discordant twin-pair study. *Journal of Affective Disorders*, 122 (S1), 70.
26. **Hsu, K.J.**, & Davison, G.C. (2010). Memory, gender and rumination in depression: Recall of simulated situations with articulated thoughts and the Rivermead Behavioral Memory Test. *Journal of Affective Disorders*, 122 (S1), S45.

## RESEARCH EXPERIENCE

May '17 – present	Postdoctoral Research Fellow, Mood Disorders Laboratory, Institute for Mental Health Research, University of Texas at Austin Principal Investigator: Christopher Beevers, Ph.D.
Sept '15 – present	Research Affiliate, Behavioral Health Partial Hospitalization Program, McLean Hospital Principal Investigators: Thröstur Björgvinsson, PhD, Courtney Beard, Ph.D.
Sept '15 – May '17	Assistant Project Scientist/Postdoctoral Researcher, Anxiety and Depression Research Center, University of California, Los Angeles Principal Investigator: Michelle Craske, Ph.D.
Sept '14 – August '14	Postdoctoral Research Fellow, Behavioral Health Partial Hospitalization Program, McLean Hospital/Harvard Medical School Principal Investigators: Thröstur Björgvinsson, PhD, Courtney Beard, Ph.D.
August '06 – August '13	Doctoral Student, Laboratory for Cognitive Studies in Clinical Science, University of Southern California Faculty Advisor: Gerald C. Davison, Ph.D.

- August '04 – July '06      Research Assistant, Yale Depression Research Clinic, Yale University  
Principal Investigator: Gerard Sanacora, M.D., Ph.D.
- May '04 – August '04      Research Assistant, Developmental Cognitive Neuroscience Lab,  
Denver University  
Principal Investigator: Kelly Snyder, Ph.D.

**CLINICAL EXPERIENCE/TRAINING**
